

FUNDRAISER CARDS

Your local Papa John's offers a fundraiser coupon booklet designed to help schools & other organizations raise money.

This coupon booklet sells for \$10.00. For each card sold, your school/organization keeps \$7.00!! Sell 100 cards, make \$700 for your group. Included in this booklet are a total of 9 coupons, 8 of which offer a FREE product from Papa John's good for Carryout or Delivery. The ninth coupon is a \$10 off your carryout order! This makes the Fundraiser card an easy sell as prospective buyers will see they get their money back with their first order!! These coupons are accepted at more than 125 stores in and around the Metro Atlanta area, including Macon, Augusta, Columbus and Chattanooga.

Your school/organization can request the cards at any time by completing a request form. The cards and an invoice will then be sent to your local Papa John's within a week. We recommend 10 cards per seller as a good starting point. Your group will receive a statement within 30 days and you may request additional cards anytime. Unsold cards should be returned to the pickup location and we will send an updated invoice for final payment.
